Ayn attached are my comments. We promised to get these to Shaun/Deb/Joan by noon.

Lets touch base over lunch after you have had a chance to look over and incorporate anything you have gotten from Martin.

Thanks.

Sorry, Martin- I missed by a hair getting you a hard copy to take with you. Noah is going to send it to Shawna up in MOO to print out for you in the morning. We had told Joan we would try and get it to her by noon tomorrow, so I don't know if you will have time to look at it. Sandy said she could look at it tomorrow morning.
